

Items We Can't Take

The items listed below describe materials we cannot accept in donation at the Habitat ReStore. Please see our [Recycling Resources](#) pages for other options to recycle these materials.

- Furniture that is broken, stained, has torn fabric or excessive wear
- Office partitions, computers, or other consumer electronics (i.e., no radios, TVs, etc.)
- Thermostats or other devices that may contain mercury or mercury switches)
- Any item containing asbestos (floor & ceiling tiles, older light fixtures, etc.)
- Fluorescent lights, bulbs, or ballasts, unless new and free of PCBs
- Any flammable or combustible chemicals. Herbicides and pesticides
- Smoke detectors
- Used carpeting
- Aluminum single pane windows
- Paint: Portland - no rusty cans, missing or covered labels, partial cans
Clark County - we take any paint allowed under the [Paint Take-Back Program](#)
- Roll-up garage doors, rails, or springs; carriage style doors may be accepted
- Hollow core interior doors
- Baseboard heaters, unless new and in sealed box
- Cabinet drawers or doors without cabinet
- Kitchen cabinet sets less than 3 pieces
- Mini blinds, unless new and in original package
- Non low-flow toilets (greater than 1.6 gallons per flush)
- Used Vinyl siding
- Used Gutters
- Unframed mirrors or glass
- Used flooring, except hardwood with no nails
